LEASING

More than real estate, we are a company of experiences. For our guests, we provide distinctive shopping, dining, and entertainment. For our retailers, we offer the unique opportunity to thrive in the best retail real estate in the best markets.

From new projects and redevelopments to acquisitions and mergers, we are continuously evaluating our portfolio to enhance the Simon® experience—places where people choose to shop and retailers want to be.

We deliver:

SCALE

Largest global owner of retail real estate, including Malls, Simon Premium Outlets®, and The Mills®

QUALITY

Iconic, irreplaceable properties in great locations

INVESTMENT

Active portfolio management increases productivity and returns

GROWTH

Core business and strategic acquisitions drive performance

EXPERIENCE

Decades of expertise in development, ownership, and management

That's the advantage of leasing with Simon.

In today's world of omnichannel retailing, Simon centers are invaluable incubators for innovative marketing strategies that transcend traditional retail. We are actively redefining the spaces that have become iconic destinations for shopping and socializing.

From Simon Malls to Simon Premium Outlets to The Mills, there's a place and space for every brand and the freedom to decide how your customers encounter and experience it.

Whether you are looking for a way to test or launch a new product or concept, wanting to take advantage of peak shopping seasons, or simply seeking to gain exposure or expand an existing business without the long-term commitment of a permanent lease, we can help. We are committed to the success of our retailers, supplying your brand with advantages you won't find anywhere else and tailoring a leasing solution that's right for you.

Discover the possibilities. Explore your options with carts, kiosks, vending units, or in-line spaces at some of the most exciting retail destinations in the country.

CARTS Simon excels at maximizing retail's potential by making shopping more pleasurable and efficient. It's all designed with an eye to deliver shoppers to the carts and kiosks.

KIOSKS With smart new fixtures and sleek contemporary styling that reduces footprint and opens up sightlines, our kiosks ensure that your business will be seen in its best light. See just how attractive a lease with us can be.

IN-LINE With Simon, your brand has an opportunity to tap into the clear advantages of a seamless in-store experience. We provide the in-line space and expert visual guidance needed to customize your store to fit your brand.
